PROJECTS

GALLERY
Developed a gallery website using ReactJS where we can store numerous images using its url on localstorage. They won't get errased even we try to refresh.
website link-https://veepthy-suresh.github.io/MakeGallery/

TODOLIST
Designed a todolist website using ReactJs where we can use it for taking notes and data is stored on local storage.
website link-https://veepthy-suresh.github.io/MakeNotes/

FINDMOVIES
Design a movie search ReactJs website where we can search for different movies and data is fetched using API.
website link-https://veepthy-suresh.github.io/FindMovies/
And also created some small fronted pages using HTML,CSS.

WORKED ON MACHINE LEARNING RESEARCH PAPERS

CERTIFICATIONS

HackerRank problem solving
HackerRank Python

HONORS/AWARDS

solved 200+ problems on Leetcode
